

ANTH 270

ANTH 270 Traditional Knowledge in Practice

3 Credits

This course will provide a unique blend of field studies, with readings from a cross-cultural and anthropological point of view. With a focus on traditional knowledge, students will review the development of this field of study within Anthropology, consider social applications, resource management, ethics, and be introduced to local systems of knowledge and practice. Overall, through this course, and the opportunity of experiential learning, students will become familiar with alternative cultural ways of viewing and relating to the environment.

Prerequisites

ANTH 102 and ANTH 111 and ANTH 112 and SOCI 101 or SOCI 102
