

## CHEM 0402

---

### **CHEM 0402 Advanced Chemistry 0402**

2 Credits

This is the second half of an introductory chemistry course. This course in combination with the prior course, Chemistry 0401 is equivalent to Chemistry 040. The modular courses are intended for self paced delivery or delivery of Advanced Chemistry over two semesters. Major topics include lab safety, atomic structure, mole concept, bonding, chemical reactions, solutions and organic chemistry.

#### **Prerequisites**

Completion of Advanced Chemistry 0401.

#### **Transfer Credits**
