

EDUA 130

EDUA 130 Language Skills for Educators

3 Credits

This course will introduce learners to academic writing, formal written correspondence, develop reflective skills to share their experiences and knowledge during presentations, discussions, meetings, and other media. This foundational course aims to connect to interpersonal, critical thinking, and professional skills. Experiential Place-Based Learning (EPBL) opportunities for Education Assistants will help learners gain confidence with digital literacy and communications skills. Key priorities include honouring diverse cultures and worldviews, practicing authentic interactions to participate meaningfully with other learners and local communities in preparation for personal, educational, and career goals.
