

EDUA 150

EDUA 150 Practicum I

3 Credits

This 90-hour practicum prepares students for work as education assistants in the school system by integrating theory with practical experience.

Practicum I will emphasize beginning competencies for Education Assistant working in the classroom environment including skills in observing and recording, guiding and caring, and collaboration. Practicum seminars provide students with support and guidance for their field practice. Students will create individual Professional Development Plans and record progress toward their practicum goals through various assignments and activities.
