

ENGL 100

ENGL 100 Language Skills

3 Credits

Learning to read and write at the university level demands much patience and repetition. English 100 intends to help students master the skills necessary for correct sentence and paragraph formation. There are weekly exercises on grammar and syntax, then on the paragraph and the types of development. At the end of the term, there is also consideration of the formal essay, which is the standard writing format for university courses and taught in English 101.
