

HAIR 12100

HAIR 12100 Hairstylist Technical Training

0 Credits

The Hairstylist Foundation Program combines the art and science of hairdressing at a foundation level. The program provides students with the theoretical knowledge and practical application of technical skills to build proficiency, competency and confidence in all aspects of hairdressing profession. Students learn through classroom instruction with practical application of equipment and tools in The Salon at CMTN and industry workplace settings.
