

HCAS 1030

HCAS 1030 Health 1: Interpersonal Communications Communications

1.5 Credits

This course focuses on the development of self-awareness, increased understanding of others and development of effective interpersonal communication skills that can be used in a variety of caregiving contexts. Students will be encouraged to become more aware of the impact of their own communication choices and patterns. They will have opportunity to develop and use communication techniques that demonstrate personal awareness, respect and active listening skills.

Prerequisites

Minimum B- (70%) in all previous HCA courses.
