

HCAS 1080

HCAS 1080 Practice Experience in Multi-Level Care

6 Credits

This supervised practice experience provides students with an opportunity to apply knowledge and skills from all other courses in the program with individuals in a multi-level or complex care setting. A portion of this clinical experience will be devoted to working with individuals with dementia. Opportunity will be provided for students to gain expertise and confidence with the role of the HCA within a residential care facility.
