1 Credit

Rising Stars, network to a better life! The Rising Stars program pairs students up with community leaders for a 5 month period to provide the student with a profoundly rewarding personal growth opportunity. The 'Rising Star' will learn appropriate etiquette and presentation skills in a professional setting, and will be provided with networking opportunities that can, and often do, result in students discovering a fulfilling career. The Rising Stars students will become honorary members of the local Chamber of Commerce and will participate in events sponsored and organized by the mentors and the Chamber.
