

MATH 0501

MATH 0501 Provincial Mathematics

2 Credits

Math 0501 is the first half of ABE Provincial Mathematics. The goals for Math 0501/0502 are to prepare students with the algebra and trigonometry skills necessary for entry to academic, technical or vocational programs including those requiring a Math 12 prerequisite. Topics include a review of Advanced Math concepts, equations and inequalities, functions and their graphs, and quadratic, polynomial and rational functions. Both Math 0501 and Math 0502 are required for Grade 12 Math equivalency.

Prerequisites

Math 0401/0402 or equivalent, or placement at the advanced level.
