## **PNAC 175 Consolidated Practice Experience A**

4 Credits

This clinical experience provides learners with the opportunity to integrate theory from the Access level into practice. Learners will practice with aging clients and/or those with chronic illness in residential care settings. Medication administration, nursing care, organization, comprehensive health assessment, wound care and introduction to leadership are emphasized. This is a hands-on direct patient care experience supervised by faculty. The Level A competencies are practiced and mastered.
