

PNUR 157

PNUR 157 Integrated Nursing Practice 2

6 Credits

This course builds on the foundation of Level 1 and emphasizes the development of clinical decision making, nursing assessments and interventions to promote the health of older adults. A variety of approaches (e.g., simulation) will help learners to integrate theory from Level 1 and 2 courses to provide safe, competent and ethical nursing care with older adults.

Prerequisites

Successful completion of Level 1 courses with minimum grade of B- and Consolidated Practice Experience 1. Co-requisites: Professional Communication 2; Professional Practice 2; Variations in Health 2, Health Promotion 2; Pharmacology 2.
