

SUST 250

SUST 250 Capstone Project

3 Credits

The capstone project provides an opportunity for students to focus on a problem in sustainability and draw together learning from both the program and prior experiences to focus on comprehensive research-based solutions. The approach to the capstone project is multidisciplinary, covering at least two aspects of sustainability and approved by the course instructor.

Prerequisites

Take 5 courses from level 100 or 200
