Career opportunities

Acquire skills appropriate for business managers and entrepreneurs. This program will be of particular interest if you are planning to manage or open a business focused on delivering a product or service related to your undergraduate education and experience.

The program will open doors to employment opportunities in business consulting, management, or business ownership. In addition, many Canadian professional designations, such as Canadian Human Resource Professional (CHRP) (<https://www.hrpa.ca/hr-designations/chrp/>) and Canadian Professional Accountant (CPA) (<https://www.cpacanada.ca/>), require an undergraduate degree for accreditation. Completing the post-degree diploma at CMTN will support your requirements for entry into many professional association streams.
