

BUSINESS ADMINISTRATION | ADVANCED DIPLOMA- PROFESSIONAL ACCOUNTING

The Advanced Diploma in Professional Accounting is a unique program allowing you to pursue specific courses that will lead you to a career in accounting.

Upon completing this three-year diploma, you will have all the necessary courses needed to enter the Chartered Professional Accountants Professional Education Program (CPA PEP). This advanced diploma and a Bachelor's Degree are the prerequisites required to enter the CPA PEP.

The program enables you to acquire skills appropriate for employers and business owners in the accounting field. This program will be of particular interest if you are planning to expand your career in accounting and provides you the opportunity to pursue an accounting designation in the field. The experience from the program will also open doors to employment opportunities in accounting positions such as accounting clerk, accountant, financial manager, or junior controller.
