

ESTHETICS & SPA THERAPY CERTIFICATE OF TRADES

The Esthetics & Spa Therapy Certificate Program provides a wide range of student learning opportunities in the classroom, spa and workplace settings. Students will gain hands-on practical experience working with clients in The Salon and Spa. Industry work experience provides students with additional opportunities to apply their knowledge and technical skills in a workplace setting. Classroom instruction is designed for students to develop theoretical knowledge and practical skills which will be applied for success in the VCC Salon and Spa.

Participation is integral to the development of practical skills in this program; therefore, students assume the role of client, therapist and spa coordinator.

Work practicum offers students spa industry work experience, opportunities to practice knowledge and skills learned at the college and potential for employment.

The Esthetics & Spa Therapy Certificate program prepares students for employment in the esthetics field of the spa industry by providing them with authentic learning experiences to develop the knowledge, skills, and professionalism to be successful in the industry. The Esthetics & Spa Therapy Certificate provides knowledge and practical experience to launch a career in this ever-changing industry. Constantly evolving curriculum and instruction help to ensure graduates have a competitive edge to succeed in the spa business or other related fields.

If combined with Hairstylist Certificate within 5 years, students can apply for a Cosmetology Diploma.
