The Heavy Duty Equipment Technician (HDET) apprenticeship program is a combination of time spent on the job and in school training. A Heavy Duty Equipment Technician apprentice must complete a four-year program including on the job and in-school hours of training as follows:

- Technical Training: 4 levels, 840 hours
 - Level 1,2,3,4 Heavy Duty Equipment Technician (HDET)
 - Level 4 Truck and Transport Mechanic Level 4 (TTM)

- Level 4 can either be HDET or TTM depending on the trade that the student is registered in with ITA.
- Work based training: 6,360 hours

After completion of training, a passing grade on the interprovincial exam will result in the ITA Certificate of Qualification (Heavy Duty Equipment Technician), Certificate of Apprenticeship and the Interprovincial Red Seal Endorsement.
