

# PRACTICAL NURSING

The Practical Nursing Program is designed to provide learners with the knowledge, skills, judgments and attitudes to perform to the full range of *competencies* as identified by the British Columbia College of Nurses and Midwives (BCCNM).

The program provides a learning experience that is integrated, professional, collaborative and culturally sensitive with an aim to prepare graduates to care for individuals (and by extension, families of individuals) at multiple life stages and in a variety of practice settings.

Upon successful completion of the program, learners will be eligible to write the Regulatory Exam - Practical Nurse (REX-PN).

Those who do not meet the immunization requirements may be prohibited from attending practice education experiences, depending on the particular health authority, practice education site, organization, or agency policy.

### English as an Additional Language

As English is the language of study in BC, learners must meet English language proficiency at an appropriate level to be accepted into the provincial Practical Nursing program. These requirements can be satisfied through three years of full-time, face-to-face secondary or post-secondary education at an accredited institution where English is the language of instruction and is also one of the country's official languages. English as a Second Language/Additional Language courses are not included in this three-year calculation. Those not meeting this requirement must achieve scores identified in one of the two tests below:

1. International English Language Testing System (IELTS) with minimum scores of:

2. Speaking: 7.0
3. Listening: 7.0
4. Reading: 6.5
5. Writing: 6.5
6. Overall Band Score: 7.0
7. Canadian English Language Benchmarks Assessment for Nurses (CELBAN) with minimum scores of:
8. Speaking: 8.0
9. Listening: 9.0
10. Reading: 8.0
11. Writing: 7.0

In addition to meeting English language requirements for the Practical Nursing program, graduates must be able to demonstrate a level of proficiency required to be performance ready as a condition for registration and practice in British Columbia. See BCCNM's website for details.
