COOK means a person who performs all phases of kitchen activities including the preparation and presentation of vegetables, soups, sauces, meat, fish and poultry, cold kitchen items, desserts, baking, pastry, basic menu planning/costing as well as knowledge of safety, sanitation and food storage, and who has a knowledge of human and customer relations.

A Professional Cook 3 will have met all of the requirements of the national Red Seal standard for Cook. They usually work under limited supervision and will be competent at the major techniques and principles used in cooking, baking, and other aspects of food preparation. In addition to a sound set of cooking skills, a professional cook at this level should be able to plan and cost menus and recipes, and have an understanding of the communication skills that will be necessary to begin to take a leadership role in the kitchen. For more information about Inter-Provincial Standard Endorsement (Red Seal) visit red-seal.ca.
