# WORKPLACE SKILLS TRAINING PROGRAM

The Workplace Skills Training Program prepares students with barriers to employment for entry-level positions in local industry and introduces student to the college environment. Students explore their interests and aptitudes while developing social, interpersonal and practical skills needed in the workplace. A work-experience placement in a community workplace environment gives students the opportunity to develop and practice necessary employment skills. Upon completion of the program, students may choose to enter directly into employment or ladder on to more advanced programming at the college, such as Introduction to Trades, Construction Labourer, Professional Cook, Career and College Prep, and so on.

- · Instructor Led Class: 35 weeks
- 20 courses totaling 840 hours (720 instructional and up to 120 work experience hours)
- Intake in September and January terms
- 3 5 hours a day, 5 days a week. Will vary according to individual education plan.
- WST 105, 113,118, 119, 120 are not required for Graduation
- Literacy classes are self-paced and may be taken in conjunction with or independently of WST.
- Functional Literacy instruction is available on a part-time basis. Classes are self-paced and registration is on-going (space permitting).
- Students start at LIT 100 (https://catalogue.coastmountaincollege.ca/search/?P=LIT%20100), LIT 101 (https://catalogue.coastmountaincollege.ca/search/?P=LIT%20101), LIT 102 (https://catalogue.coastmountaincollege.ca/search/?P=LIT%20102) or LIT 103 (https://catalogue.coastmountaincollege.ca/search/?P=LIT%20103) depending on skill level.

Students will have the opportunity to gain work experience through participation in work site practicums. This fieldwork practice gives students the opportunity to practice and transfer classroom theory to worksite. Students may complete up to three practicums and may work up to a maximum of 120 hours. Practicums sites are selected to match student training needs and provide further training opportunities to participants in a realistic industry-based setting. Instructor Assistant will provide onsite training and support as necessary and can vary depending on work experience availability and student ability.
